Please fill out the following application completely. The adoption process is designed to match appropriate homes with appropriate dogs. Before you proceed with the application, we have two “qualifying questions” -

1. Do you have a 5 foot or higher fenced-in yard or an electronic fence? No _____ Yes _____

If you have a LARGE unfenced property, pls describe details below.

We do make some exceptions to the fencing requirement but the property must be large and more rural.

2. Are ALL of your children 7 years or older? No _____ Yes _____

We will also be asking you to provide pictures of your yard if you visit, including the driveway and nearest roads plus proof of fencing and yard area.
